Later in the day we continue our adventure with a cave hike through a lava tube that was created thousands of years ago by a river of red glowing lava.

After you've conquered the glacier, we head to Jökulsárlón Glacial Lagoon where we have a relaxing boat ride amidst freshly calved icebergs.

Enjoy a drink and get to know some of the new guests before we head to our design hotel in Reykjavik which will serve as our base for the next few nights. This evening we attend the Reykjavik Pride opening ceremony where tourists and locals enjoy local and international entertainment.
